

### ABOUT THE INSTRUCTOR

Walter Henson is a 23 year veteran of the Texas Department of Public Safety. He is a Forensic Scientist in the Latent Print Section at the DPS Crime Laboratory in Austin, Texas. Prior to this assignment, Walter was the Automated Fingerprint Identification (A.F.I.S.) project Assistant and LiveScan Coordinator for the State of Texas. Walter holds an instructor certification from the Texas Commission on Law Enforcement and has taught classes throughout the State on the Development and Comparison of Latent Prints. Walter has conducted advanced training classes at the Texas DPS Academy and made presentations for the Texas Division of The International Association for Identification and the Texas Rangers. Walter has traveled extensively across the state conducting training classes on AFIS and Livescan. He has been accepted as an expert witness in State and Federal Court. Walter is the current President of the Texas Division of the IAI and chairs several committees.

## BASIC FINGERPRINT IDENTIFICATION

---

“Advanced Investigative Training”

**Discount for Early  
Registration**

**Limited Enrollment**

## AN INTERACTIVE WORKSHOP

This course is for criminal justice personnel, officers and laboratory technicians who work with fingerprints and is designed for beginners. No experience is necessary. The objective is to train the student in fingerprint pattern recognition and to compare and identify fingerprints. Instruction on the history of fingerprints, basic physiology of friction ridge formation, the taking of inked fingerprints, basic tools/methodology used in fingerprint comparison and basic courtroom testimony dealing with enhanced punishment (pen packet testimony) is included. **Note:** This course does not include work with latent prints.

### TCLEOSE CREDIT

This course is approved for 40 hours credit by the Texas Commission on Law Enforcement through the hosting agency or academy.

### REQUIRED EQUIPMENT

**Each student will need to provide a fingerprint magnifier. Standard handheld magnifying glasses are not suitable for this class.**

**For information call Jim Huggins
